Responsibilities

Thomas Nolan directs account services for many of the large and strategic business relationships of Conner Strong & Buckelew. In this role, he brings a wealth of experience and a wide array of strategic and tactical insurance and risk management solutions to our clients.

Nolan manages and designs property & casualty insurance programs for larger, more complicated accounts for a variety of business sectors with notable expertise in public entities, construction and manufacturing.

Background

Nolan joined Conner Strong & Buckelew in 2006. Prior to joining, he spent 20 years as Vice President and Account Manager at The Graham Company, a Philadelphia based insurance brokerage. Prior to joining Graham, Nolan was the Controller for J.J. White, Inc., a Philadelphia based contractor.

Education

Saint Joseph's University – Bachelors of Science in Accounting

Professional Designations

Certified Public Accountant (CPA)

Chartered Property Casualty Underwriter (CPCU)
