Responsibilities

Jack Tarditi is responsible for new business development and client relations for the Employee Benefits Division of Conner Strong & Buckelew.

Background

Tarditi has over 40 years experience in the insurance field. He was President of Associated Insurance Management, Inc. (AIM) where he was a principal shareholder for over 20 years. He was also a corporate officer with PennMutual Life Insurance Company in Philadelphia where he held positions of Assistant Controller and Director of Special Markets. Prior to becoming Managing Director of Conner Strong & Buckelew, Tarditi was Executive Vice President with management responsibilities for the Employee Benefits Division.

Education

Drexel University – Masters in Business Administration
Lycoming College – Bachelor of Science

Professional Designations

Fellow, Life Management Institute (FLMI)
Life Underwriter Training Council, Fellow (LUTCF)

Community Involvement

Tarditi served as Mayor and Director of Public Safety for the Borough of Haddonfield for 16 years while serving as Borough Commissioner for 23 years. He is former President of the Camden County Mayor’s Association and the New Jersey Conference of Mayors, and chaired the New Jersey State League of Municipalities School Funding Task Force, as well as their Legislative Committee. He served for 20 years as Chairman and Commissioner of the Camden County Municipal Joint Insurance Fund representing 33 Camden County municipalities; Past Chairman and Commissioner of the NJ Municipal Excess Liability Fund, which provides excess coverages to over 400 New Jersey public entities.

Tarditi serves on the Cooper Foundation Board and chaired the Helene Fuld School of Nursing Board of Trustees. He also serves as Secretary of the Salvation Army – Camden County Chapter, the Symphony in “C” Society Board of Directors and chairs the South Jersey Community Foundation and the Haddonfield Cultural Events Commission. He serves on the NJ State Council on Local Mandates and chairs the South Jersey Tourism Corporation.
