# Managing Opioid Rx in Benefit Plans

STRATEGIES FOR EMPLOYERS  
AND PLAN SPONSORS

WEBINAR

Monday, July 23, 2018

1:00 – 2:00pm EST

REGISTER NOW

In the fight to address the nation's opioid crisis, employers and plan sponsors can also play a significant role. With a majority of Americans getting their medical and pharmacy insurance through their employer or via a multi-employer program, plan sponsors can play a huge role in helping to combat this extraordinary crisis that also impacts productivity and safety in the work place. Learn specific tactics around how to manage opioid Rx in benefit plans and how you can more effectively combat this devastating crisis.

Registrants are invited to submit questions in advance. Links to the recording and presentation will be emailed within 48 hours of the webinar. In addition, you can visit the [webinar page](#) on our website to view past presentations.
