## The Opioid Epidemic: How Employers Can Fight Back

The opioid epidemic is devastating the lives of many individuals in our communities. While combating the issue will take resources at the national level, there are a number of ways employers can help mitigate opioid use among their employees.

To learn more, download our new [eBook](#) entitled **The Opioid Epidemic: How Employers Can Utilize Employee Benefits and Workers' Compensation to Fight Back.**

This eBook includes insight into:

- The origins of the opioid epidemic
- The costs to employers
- Tips for structuring an opioid-averse employee benefits program
- Tips for discouraging opioid use in workers compensation programs

Click [here](#) to download our new eBook today!

If you would like further information about how to structure your employee benefits or workers compensation program, please give us a call at 877-861-3220.
