

Kayla Cecchine, CPCU, AIDA, AINS

Account Manager

National Accounts

Office: 856-479-2266
Email: kcecchine@connerstrong.com

Responsibilities

Kayla Cecchine is an Account Manager in National Accounts for Conner Strong & Buckelew. She is responsible for daily servicing and preservation of Life Science customers, based domestically as well as internationally. She obtains quotations and is instrumental in preparation of submissions, proposals, and binders. She also reviews and processes policies, audits and policy changes. Cecchine provides prompt, accurate, and courteous service to customers, sales representatives, and insurance companies regarding those accounts and other duties, as directed.

Background

Cecchine joined Conner Strong & Buckelew in 2020 after graduating from Saint Joseph's University. Prior to joining Conner Strong & Buckelew full-time, she worked as an intern throughout various books of business. Cecchine also has interned at AIG in the Financial Lines Department. During her time at Saint Joseph's University, Cecchine served as the President of Gamma Iota Sigma, a professional Insurance and Risk Management Fraternity. She competed in several professional Insurance case competitions, such as CICA Captive Strategies Competition where she placed 2nd overall, as well as RIMS Spencer Competition where she placed 1st overall.

Education

Saint Joseph's University, Haub School of Business- Bachelor of Science in Business Administration, Summa Cum Laude (Double Major in Risk Management & Insurance and Business Intelligence & Analytics)
