Keynote Address: Carey Lohrenz

A successful career, a happy family, and a balanced personal life leave little time for many people to nurture their dreams.

As a former Naval Aviator, a corporate executive, and as a busy mother of four, Carey "Vixen" Lohrenz knows first-hand the challenges of navigating the many demands of work-life balance. In this riveting and inspirational keynote speech, Carey will inspire you to "Be the Catalyst" and look beyond your circumstances.
